10.15 To acquire real property adjacent to the state  
10.16 college and university campuses or within  
10.17 the boundaries of the campus master plan.  
10.18 This appropriation may be used at Bemidji  
10.19 State University.

10.20 Subd. 23. Debt Service

10.21 (a) Except as provided in paragraph (b), the  
10.22 board shall pay the debt service on one-third  
10.23 of the principal amount of state bonds sold to  
10.24 finance projects authorized by this section.  
10.25 After each sale of general obligation bonds,  
10.26 the commissioner of management and budget  
10.27 shall notify the board of the amounts assessed  
10.28 for each year for the life of the bonds.

10.29 (b) The board need not pay debt service  
10.30 on bonds sold to finance higher education  
10.31 asset preservation and replacement. Where a  
10.32 nonstate match is required, the debt service is  
10.33 due on a principal amount equal to one-third  
10.34 of the total project cost, less the match  
10.35 committed before the bonds are sold. For

11.1 the workforce center colocation project  
11.2 at Rochester Community and Technical  
11.3 College, the board shall pay the debt service  
11.4 on \$1,079,000 of the principal amount of  
11.5 state bonds sold to finance the project; the  
11.6 commissioner of employment and economic  
11.7 development shall pay the debt service on  
11.8 \$5,262,000 of the principal amount of state  
11.9 bonds sold to finance the project, in the  
11.10 manner provided in Minnesota Statutes,  
11.11 section 16A.643.

11.12 (c) The commissioner of management and  
11.13 budget shall reduce the board's assessment  
11.14 each year by one-third of the net income  
11.15 from investment of general obligation bond  
11.16 proceeds in proportion to the amount of  
11.17 principal and interest otherwise required to  
11.18 be paid by the board. The board shall pay its  
11.19 resulting net assessment to the commissioner  
11.20 of management and budget by December  
11.21 1 each year. If the board fails to make  
11.22 a payment when due, the commissioner  
11.23 of management and budget shall reduce  
11.24 allotments for appropriations from the  
11.25 general fund otherwise available to the board  
11.26 and apply the amount of the reduction to  
11.27 cover the missed debt service payment. The  
11.28 commissioner of management and budget  
11.29 shall credit the payments received from the  
11.30 board to the bond debt service account in  
11.31 the state bond fund each December 1 before  
11.32 money is transferred from the general fund  
11.33 under Minnesota Statutes, section 16A.641,  
11.34 subdivision 10.

11.35 Subd. 24. Unspent Appropriations

12.1 (a) Upon substantial completion of a project  
12.2 authorized in this section and after written  
12.3 notice to the commissioner of management  
12.4 and budget, the Board of Trustees must use  
12.5 any money remaining in the appropriation  
12.6 for that project for HEAPR under Minnesota  
12.7 Statutes, section 135A.046. The Board  
12.8 of Trustees must report by February 1 of  
12.9 each even-numbered year to the chairs  
12.10 of the house and senate committees with  
12.11 jurisdiction over capital investments and  
12.12 higher education finance, and to the chairs of  
12.13 the house Ways and Means Committee and  
12.14 the senate Finance Committee, on how the  
12.15 remaining money has been allocated or spent.  
  
12.16 (b) The unspent portion of an appropriation  
12.17 for a project in this section that is complete,  
12.18 is available for higher education asset  
12.19 preservation and replacement under this  
12.20 subdivision, at the same campus as the  
12.21 project for which the original appropriation  
12.22 was made and the debt service requirement  
12.23 under subdivision 23 is reduced accordingly.  
12.24 Minnesota Statutes, section 16A.642, applies  
12.25 from the date of the original appropriation to  
12.26 the unspent amount transferred.

12.27 Sec. 4. **EDUCATION**

35.26	<u>To the commissioner of transportation for the</u>	
35.27	<u>purposes specified in this section.</u>	
35.28	<u>Subd. 2. <b>Local Bridge Replacement and</b></u>	
35.29	<u><b>Rehabilitation</b></u>	<u>67,000,000</u>
35.30	<u>This appropriation is from the bond proceeds</u>	
35.31	<u>account in the state transportation fund</u>	
35.32	<u>to match federal money and to replace</u>	
35.33	<u>or rehabilitate local deficient bridges as</u>	

36.1 provided in Minnesota Statutes, section  
36.2 174.50.

36.3 Political subdivisions may use grants made  
36.4 under this subdivision to construct or  
36.5 reconstruct bridges, including but not limited  
36.6 to:

36.7 (1) matching federal aid grants to construct  
36.8 or reconstruct key bridges;

36.9 (2) paying the costs of preliminary  
36.10 engineering and environmental studies  
36.11 authorized under Minnesota Statutes, section  
36.12 174.50, subdivision 6a;

36.13 (3) paying the costs to abandon an existing  
36.14 bridge that is deficient and in need of  
36.15 replacement, but where no replacement will  
36.16 be made; and

36.17 (4) paying the costs to construct a road  
36.18 or street to facilitate the abandonment  
36.19 of an existing bridge determined by  
36.20 the commissioner to be deficient, if the  
36.21 commissioner determines that construction  
36.22 of the road or street is more economical than  
36.23 replacement of the existing bridge.

36.24 \$1,000,000 is for a grant to the city of  
36.25 Fairmont to demolish the existing bridge  
36.26 and to design and construct a new bridge  
36.27 over the channel between Budd Lake and  
36.28 Hall Lake, on West Lair Road in Gomsrud  
36.29 Park. This appropriation is not available  
36.30 until the commissioner determines that at  
36.31 least \$1,500,000 has been committed to the  
36.32 project from nonstate sources.

36.33 \$1,500,000 is for a grant to the city of Fergus  
36.34 Falls to renovate the Tower Road bridge.

37.1 \$10,000,000 is for a grant to Hennepin  
 37.2 County for phase 2 of the project for the  
 37.3 removal of the existing Canadian Pacific  
 37.4 Railway bridge and crib wall structure  
 37.5 supporting the roadway, construction of a  
 37.6 retaining wall structure to support Lowry  
 37.7 Avenue, and construction of an extension of  
 37.8 phase 1, the construction and replacement  
 37.9 of the Lowry Avenue bridge carrying  
 37.10 County State-Aid Highway 153 across the  
 37.11 Mississippi River in Minneapolis.

37.12 \$7,000,000 is for a grant to the city of  
 37.13 Minneapolis to construct a bridge for St.  
 37.14 Anthony Parkway over the Northtown Rail  
 37.15 Yard.

37.16 Subd. 3. **Arden Hills Training Center** 4,750,000

37.17 This appropriation is from the bond proceeds  
 37.18 account in the trunk highway fund.

37.19 To design and construct an addition to  
 37.20 the Arden Hills Training Center to house  
 37.21 conference rooms, classrooms, and support  
 37.22 facilities; and to design and construct  
 37.23 renovation of the existing Center, including  
 37.24 office space, classrooms, a new entrance,  
 37.25 elevator, and stair.

37.26 Subd. 4. **Little Falls Truck Station** 3,300,000

37.27 This appropriation is from the trunk highway  
 37.28 fund.

Sec. 26. **BOND SALE SCHEDULE**

The commissioner of management and budget shall schedule the sale of state general obligation bonds so that, during the biennium ending June 30, 2011, no more than \$957,003,000 will need to be transferred from the general fund to the state bond fund to pay principal and interest due and to become due on outstanding state general obligation bonds. During the biennium, before each sale of state general obligation bonds, the commissioner of management and budget shall calculate the amount of debt service payments needed on bonds previously issued and shall estimate the amount of debt service payments that will be needed on the bonds scheduled to be sold. The commissioner shall adjust the amount of bonds scheduled to be sold so as to remain within the limit set by this section. The amount needed to make the debt service payments is appropriated from the general fund as provided in Minnesota Statutes, section 16A.641.

Sec. 27. **BOND SALE AUTHORIZATION.**

Subdivision 1. **Bond proceeds fund.** To provide the money appropriated in this act from the bond proceeds fund, the commissioner of management and budget shall sell and issue bonds of the state in an amount up to \$1,022,200,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7.

Subd. 2. **Maximum effort school loan fund.** To provide the money appropriated in this act from the maximum effort school loan fund, the commissioner of management and budget shall sell and issue bonds of the state in an amount up to \$5,780,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7. The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to a bond proceeds account in the maximum effort school loan fund.

Subd. 3. **Transportation fund.** To provide the money appropriated in this act from the state transportation fund, the commissioner of management and budget shall sell and issue bonds of the state in an amount up to \$67,000,000 in the manner, upon the terms, and with the effect prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota Constitution, article XI, sections 4 to 7. The proceeds of the bonds, except accrued interest and any premium received on the sale of the bonds, must be credited to a bond proceeds account in the state transportation fund.

Subd. 4. **Trunk highway fund.** To provide the money appropriated in this act from the bond proceeds account in the trunk highway fund, the commissioner of finance shall sell and issue bonds of the state in an amount up to \$31,190,000 in the manner, upon the

terms, and with the effect prescribed by Minnesota Statutes, sections 167.50 to 167.52, and by the Minnesota Constitution, article XIV, section 11, at the times and in the amounts requested by the commissioner of transportation. The proceeds of the bonds, except accrued interest and any premium received from the sale of the bonds, must be deposited in the bond proceeds account in the trunk highway fund.

**Sec. 29. [16B.355] COOPERATIVE LOCAL FACILITIES GRANTS.**

Subdivision 1. **Grants authorized.** The commissioner shall make grants to counties, cities, towns, and school districts to acquire, construct, or renovate public land and buildings and other public improvements of a capital nature for cooperative facilities to be owned and operated by the grantees.

67.1           Subd. 2. **Match.** A grant under this section may not be made until the commissioner  
67.2 has determined that at least 30 percent of the total project cost has been committed to  
67.3 the project from nonstate sources.

67.4           Subd. 3. **Amount.** No more than one-third of the amount appropriated by any one  
67.5 appropriation act may be granted to any one project.

67.6           Subd. 4. **Application.** (a) To be eligible to receive a grant, the grant application  
67.7 must be made to the commissioner on behalf of any combination of at least three counties,  
67.8 cities, towns, or school districts. The grant applicants must have entered into a joint  
67.9 powers agreement and formed a joint powers board under section 471.59 to govern the  
67.10 facilities. The joint powers board must approve the application by resolution.

67.11           (b) The grant application must demonstrate that acquisition, construction, or  
67.12 renovation of the cooperative facilities will improve the delivery of services by the  
67.13 grant applicants and will generate savings to the applicants in operating their buildings  
67.14 and programs.

67.15           (c) The commissioner shall prescribe and provide the application form. The  
67.16 application must include at least the following information:

67.17           (1) identification of the facilities;

67.18           (2) a plan for the facilities;

67.19           (3) a description of how the facilities will improve the delivery of governmental  
67.20 services by the applicants;

67.21           (4) a detailed estimate, along with necessary supporting evidence, of the total costs  
67.22 for the facilities;

67.23           (5) an estimate of the dates when the facilities for which the grant is requested will  
67.24 be contracted for and completed;

67.25           (6) a detailed estimate, along with necessary supporting evidence, of the savings in  
67.26 operating costs of buildings and programs that the project will generate;

67.27           (7) the manner in which the applicants will meet the local match requirement; and

67.28           (8) any additional information or material the commissioner prescribes.

67.29           Subd. 5. **Priority.** The commissioner, in consultation with the commissioner of  
67.30 management and budget and the commissioners of other state departments, as appropriate,  
67.31 shall give priority to projects that demonstrate a significant increase in cooperation as  
67.32 measured by one or more of the following criteria:

67.33           (1) improved quality, access, transparency, or level of service to citizens;

67.34           (2) fundamental change in the organization of service delivery;

67.35           (3) substantial savings in operating costs; or

67.36           (4) positive return on investment over the life of the facility.

68.1            Subd. 6. **Geographic distribution.** At least half the money provided as grants each  
68.2 fiscal biennium must be for projects located outside the seven-county metropolitan area, as  
68.3 defined in section 473.121, subdivision 2.

68.4            Sec. 30. Minnesota Statutes 2008, section 174.50, is amended by adding a subdivision  
68.5 to read:

68.6            Subd. 5a. **Grant agreement not required for political subdivisions.**  
68.7 Notwithstanding section 16A.695, subdivision 9, a grant made from the fund to a  
68.8 subdivision of the state does not require a grant agreement.

68.9            Sec. 31. Minnesota Statutes 2008, section 174.52, is amended by adding a subdivision  
68.10 to read:

68.11           Subd. 5a. **Grant agreement not required for political subdivisions.**  
68.12 Notwithstanding section 16A.695, subdivision 9, a grant made from the fund to a  
68.13 subdivision of the state does not require a grant agreement.

68.14           Sec. 32. Minnesota Statutes 2008, section 240A.09, is amended to read:

68.15            **240A.09 PLAN DEVELOPMENT; CRITERIA.**

68.16            The Minnesota Amateur Sports Commission shall develop a plan to promote the  
68.17 development of proposals for new statewide public ice facilities including proposals for  
68.18 ice centers and matching grants based on the criteria in this section.

68.19            (a) For ice center proposals, the commission will give priority to proposals that  
68.20 come from more than one local government unit. Institutions of higher education are not  
68.21 eligible to receive a grant.

68.22            (b) In the metropolitan area as defined in section 473.121, subdivision 2, the  
68.23 commission is encouraged to give priority to the following proposals:

68.24            (1) proposals for construction of two or more ice sheets in a single new facility;

68.25            (2) proposals for construction of an additional sheet of ice at an existing ice center;

68.26            (3) proposals for construction of a new, single sheet of ice as part of a sports complex  
68.27 with multiple sports facilities; and

68.28            (4) proposals for construction of a new, single sheet of ice that will be expanded to a  
68.29 two-sheet facility in the future.

68.30            (c) The commission shall administer a site selection process for the ice centers. The  
68.31 commission shall invite proposals from cities or counties or consortia of cities. A proposal  
68.32 for an ice center must include matching contributions including in-kind contributions of

land, access roadways and access roadway improvements, and necessary utility services, landscaping, and parking.

(d) Proposals for ice centers and matching grants must provide for meeting the demand for ice time for female groups by offering up to 50 percent of prime ice time, as needed, to female groups. For purposes of this section, prime ice time means the hours of 4:00 p.m. to 10:00 p.m. Monday to Friday and 9:00 a.m. to 8:00 p.m. on Saturdays and Sundays.

(e) The location for all proposed facilities must be in areas of maximum demonstrated interest and must maximize accessibility to an arterial highway.

(f) To the extent possible, all proposed facilities must be dispersed equitably, must be located to maximize potential for full utilization and profitable operation, and must accommodate noncompetitive family and community skating for all ages.

(g) The commission may also use the money to upgrade current facilities, purchase girls' ice time, or conduct amateur women's hockey and other ice sport tournaments.

(h) To the extent possible, 50 percent of all grants must be awarded to communities in greater Minnesota.

(i) To the extent possible, technical assistance shall be provided to Minnesota communities by the commission on ice arena planning, design, and operation, including the marketing of ice time.

(j) A grant for new facilities may not exceed ~~\$250,000~~ \$500,000.

(k) The commission may make grants for rehabilitation and renovation. A rehabilitation or renovation grant may not exceed ~~\$100,000~~ \$250,000. Priority must be given to grant applications for indoor air quality improvements, including zero emission ice resurfacing equipment.

(l) Grant money may be used for ice centers designed for sports other than hockey.

(m) Grant money may be used to upgrade existing facilities to comply with the bleacher safety requirements of section 326B.112.

Sec. 33. Minnesota Statutes 2008, section 473.4051, is amended by adding a subdivision to read:

Subd. 4. **Operating costs.** On or before January 15, the council shall submit to the legislative committees and divisions having jurisdiction over transportation policy and finance an annual statement listing each transit capital improvement project that is in final design or construction, or as to which an appropriation for final design or construction is requested by the council. With respect to each improvement listed, the council shall state

the anticipated operating costs of the improvement and the sources of payment of those costs, including percentage contribution from each source.

**EFFECTIVE DATE.** This section is effective July 1, 2010.

Sec. 34. Laws 2005, chapter 20, article 1, section 19, subdivision 4, is amended to read:

Subd. 4. **Red Rock Corridor Transit Way** 500,000

For preliminary engineering and environmental review, acquisition of real property or interests in real property, and construction of the Red Rock corridor transit way from Hastings through St. Paul to Minneapolis.

This appropriation may not be spent for capital improvements within a trunk highway right-of-way.

Sec. 35. Laws 2005, chapter 20, article 1, section 23, subdivision 12, as amended by Laws 2006, chapter 171, section 2, and Laws 2006, chapter 258, section 50, is amended to read:

Subd. 12. **Bioscience Development** 18,500,000

For grants to political subdivisions to predesign, design, acquire, construct, furnish, and equip publicly owned infrastructure required to support bioscience development in this state.

\$2,500,000 is for a grant to the city of Worthington.

\$14,000,000 cumulatively is for grants to the counties of Ramsey and Anoka for public improvements to the portion of County Road J located within each county, and for road and bridge improvement costs at marked Trunk Highway 36 and Rice Street in Ramsey County in support of bioscience

71.1 business development. This amount may be  
71.2 used to repay loans the proceeds of which  
71.3 were used for the public improvement. The  
71.4 grants to the individual counties shall be  
71.5 in amounts proportionate to the individual  
71.6 counties' costs associated with the public  
71.7 improvements.

71.8 \$2,000,000 is for bioscience business  
71.9 development public infrastructure grants  
71.10 under new Minnesota Statutes, section  
71.11 116J.435.

71.12 Sec. 36. Laws 2006, chapter 258, section 8, subdivision 4, is amended to read:

71.13	Subd. 4. <b><u>Koochiching Renewable Energy</u></b>	
71.14	<b><u>Clean Air Project (RECAP)</u></b>	2,500,000

71.15 For a grant to Koochiching County ~~to~~  
71.16 ~~prepare a site for and~~ or the Koochiching  
71.17 Development Authority to design, construct,  
71.18 ~~and equip~~ a plasma torch gasification facility  
71.19 that converts municipal solid waste into  
71.20 energy and slag, reducing the need to dispose  
71.21 of the waste in a landfill.

71.22 After the design has been completed, this  
71.23 appropriation may be used for any or all or  
71.24 any combination of the following: (1) to  
71.25 upgrade an existing waste transfer station  
71.26 in Koochiching County to serve the facility  
71.27 by performing site work, construction, or  
71.28 placement of equipment; or (2) to prepare a  
71.29 site for or to construct or equip a portion of  
71.30 the plasma torch gasification facility.

71.31 This appropriation, or any portion of it, is  
71.32 ~~not available until the commissioner has~~  
71.33 ~~determined that at least an equal amount has~~  
71.34 ~~been committed to the project~~ as matched,

72.1     dollar for dollar, with money from nonstate  
72.2     sources.

72.3             Sec. 37. Laws 2006, chapter 258, section 17, subdivision 5, is amended to read:

72.4     Subd. 5. **Red Rock corridor transit way** 500,000

72.5     For preliminary engineering and  
72.6     environmental review, acquisition of  
72.7     real property or interests in real property, and  
72.8     construction of the Red Rock corridor transit  
72.9     way between Hastings and Minneapolis via  
72.10    St. Paul.

72.11            Sec. 38. Laws 2008, chapter 152, article 2, section 3, subdivision 2, is amended to read:

72.12    Subd. 2. **State Road Construction** 1,717,694,000

72.13    (a) For the actual construction,  
72.14    reconstruction, and improvement of  
72.15    trunk highways, including design-build  
72.16    contracts and consultant usage to support  
72.17    these activities. This includes the cost  
72.18    of actual payments to landowners for  
72.19    lands acquired for highway rights-of-way,  
72.20    payments to lessees, interest subsidies, and  
72.21    relocation expenses. This appropriation is in  
72.22    the following amounts:

72.23    (1) \$417,694,000 in fiscal year 2009, and the  
72.24    commissioner may use up to \$71,008,000 of  
72.25    this amount for program delivery;

72.26    (2) \$500,000,000 in fiscal year 2010, and the  
72.27    commissioner may use up to \$85,000,000 of  
72.28    this amount for program delivery; ~~and~~

72.29    (3) \$200,000,000 in each fiscal year for fiscal  
72.30    years 2011 and 2012, and the commissioner  
72.31    may use up to \$34,000,000 of the amount in  
72.32    each fiscal year for program delivery; and

73.1 (4) \$100,000,000 in each fiscal year for  
73.2 fiscal years ~~2011 through 2018~~ 2013 through  
73.3 2016, and the commissioner may use up to  
73.4 \$17,000,000 of the amount in each fiscal year  
73.5 for program delivery.

73.6 (b) Of the amount in fiscal year 2009,  
73.7 \$40,000,000 is for construction of  
73.8 interchanges involving a trunk highway,  
73.9 where the interchange will promote economic  
73.10 development, increase employment, relieve  
73.11 growing traffic congestion, and promote  
73.12 traffic safety. The amount under this  
73.13 paragraph must be allocated 50 percent to  
73.14 the department's metropolitan district, and 50  
73.15 percent to districts in greater Minnesota.

73.16 (c) Of the amount in fiscal years 2009  
73.17 and 2010, the commissioner shall use  
73.18 \$300,000,000 each year for predesign,  
73.19 design, preliminary engineering,  
73.20 right-of-way acquisition, construction,  
73.21 reconstruction, and maintenance of bridges  
73.22 in the trunk highway bridge improvement  
73.23 program under Minnesota Statutes, section  
73.24 165.14.

73.25 (d) Of the total appropriation under this  
73.26 subdivision, the commissioner shall use at  
73.27 least \$50,000,000 for accelerating transit  
73.28 facility improvements on or adjacent to trunk  
73.29 highways.

73.30 (e) Of the total appropriation under this  
73.31 subdivision provided to the Department of  
73.32 Transportation's district 7, the commissioner  
73.33 shall first expend funds as necessary to  
73.34 accelerate all projects that (1) are on a trunk  
73.35 highway classified as a medium priority

74.1 interregional corridor, (2) are included in the  
74.2 district's long-range transportation plan, but  
74.3 are not included in the state transportation  
74.4 improvement program or the ten-year  
74.5 highway work plan, and (3) expand capacity  
74.6 from a two-lane highway to a freeway  
74.7 or expressway, as defined in Minnesota  
74.8 Statutes, section 160.02, subdivision 19. The  
74.9 commissioner shall establish as the highest  
74.10 priority under this paragraph any project that  
74.11 currently has a final environmental impact  
74.12 statement completed. The requirement  
74.13 under this paragraph does not change the  
74.14 department's funding allocation process  
74.15 or the amount otherwise allocated to each  
74.16 transportation district.

74.17 (f) The appropriation in this subdivision  
74.18 cancels as specified under Minnesota  
74.19 Statutes, section 16A.642, except that the  
74.20 commissioner of management and budget  
74.21 shall count the start of authorization for  
74.22 issuance of state bonds as the first day of  
74.23 the fiscal year specified under paragraph (a),  
74.24 clause (1), (2), (3), or (4), respectively, and  
74.25 not as the date of final enactment of this  
74.26 subdivision.

74.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.28 Sec. 39. Laws 2008, chapter 179, section 5, subdivision 4, is amended to read:

74.29 Subd. 4. ~~Mott Memorial Hall~~ Technology  
74.30 Center
